

SKIN STAPLERS

Dee Veterinary Products' skin staplers are preloaded with US sourced 316L stainless-steel staples. Each is designed with an angled head providing clear line of sight and offers an ergonomic design for reduced fatigue. Our staplers also provide a staple count indicator that clearly shows the number of staples remaining.

ITEM #	DESCRIPTION	QTY	STAPLE TYPE	STAPLE SIZE (Closed)
5210	Disposable skin staplers	12	35 R	5.4 x 3.6
